

SPACEGUARD PRODUCTS RECEIVES INDUSTRY AWARD

NOVEMBER 23, 2020

Seymour, IN – SpaceGuard Products has earned the prestigious MVS (Most Valuable Supplier) Award for achievements in 2020. The MVS Award is granted by the industry’s trade association, MHEDA (Material Handling Equipment Distributors Association) to less than 10% of all member companies. This is the fifth consecutive year that SpaceGuard Products has earned the MVS Award. This industry Award recognizes companies who have demonstrated an exemplary commitment to their dealer network, their employees, and their community.

To qualify for the MVS Award, SpaceGuard Products was required to meet a series of criteria in several areas important to the distributor companies who do business with them. In addition to confirming an on-going commitment to safety and employee training, award recipients must provide documentation of active participation in a program that “gives back.”

MVS Award winners have demonstrated an overall commitment to business excellence by documenting programs in the following areas:

- Industry Advocacy
- Distributor Advocacy
- Business Networking
- Continuing Education
- Business Best Practices

“It is an honor to be recognized with MHEDA’s Most Valuable Supplier award for our fifth consecutive year. SpaceGuard continues to challenge itself to become a more responsive and innovative partner to our distributor network. It is great to be recognized for those efforts by our peers. Thank you!” –*Eddie Murphy, President of SpaceGuard Products*

“Material Handling Equipment has been a dealer of SpaceGuard Products for over five years and have had the opportunity to work with them on many projects. It’s been our experience that they excel in providing excellent products and service in a highly professional and courteous manner.” –*Chris Chapman, Manager of Business Development, Materials Handling Equipment*

“Both of MHEDA’s Awards, the MVP and MVS, are difficult to achieve without a companywide commitment to excellence in education, networking and community service. The companies that earn this distinction from MHEDA are the premier materials handling providers in the industry,” said Mike Wall, 2020 MHEDA Chairman of the Board and President of CSI Materials Handling in Westmont, IL.

SpaceGuard Products is a leading manufacturer of wire mesh partitions and area guarding products including wire mesh storage lockers, rack safety panels, aisle guarding and mezzanine rail guarding. With over a 100 years of product experience, SpaceGuard Products is the most experienced wire company in the market today. All of SpaceGuard products/brands are proudly

manufactured in Seymour, Indiana along with all the raw materials purchased locally. We are committed to providing excellent products and service to our dealers and customers. For more information, visit www.spaceguardproducts.com

The Material Handling Equipment Distributors Association (MHEDA) is the premier trade association dedicated to serving all segments of the material handling business community. MHEDA represents close 600 companies in the material handling equipment business. Located in suburban Chicago, the association provides services to companies seeking to improve their business through education, networking, benchmarking, and best practices.
